O R D E R

The Commission, having received on September 11, 1992 a protest letter from the city of St. Matthews, Kentucky, attached hereto as Appendix A, alleging that the construction of the proposed tower will violate the community's land use legislation, HEREBY ORDERS that Central Kentucky Cellular Telephone Company shall respond to the protest letter and file a copy of the response with the Commission within seven days of the date of this Order.

Done at Frankfort, Kentucky, this 23rd day of September, 1992.

RECEIVED

Re: Cellular One Tower Site - 245  
Hubbards Lane, Case # 92-176

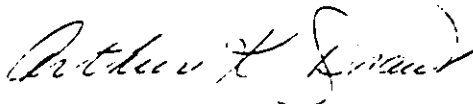

The purpose of this letter is to inform the Public Service Commission that the City of St. Matthews is in opposition to Case # 92-176.

The construction of this tower adjacent to an established residential neighborhood is an intrusion that violates the guidelines of our community's land use legislation.

It is apparent to the City Council and to property owners in the immediate area of the proposed tower and the existing Bell South tower that the neighborhood character is adversely impacted. The existing tower along with the second structure will further deteriorate the residential neighborhood character.

Please advise us of any additional action required to record our opposition and if you have any question please contact me.

Very truly yours,

Arthur K. Draut  
Mayor
